1.3 We do not collect sensitive data or special category data about you. This includes details about your race, ethnic origin, politics, religion, trade union membership, genetics, biometrics, health, or sexual orientation.

2. HOW WE USE INFORMATION WE COLLECT

2.1 We only use your personal information where the law allows us to. We use your personal information only where:

- (a) we need to perform the contract we have entered into (or are about to enter into) with you, including to operate our products or services, to provide customer support and personalized features, and to protect the safety and security of our Platform;
- (b) it satisfies a legitimate interest which is not overridden by your fundamental rights or data protection interests, for example for research and development, and in order to protect our legal rights and interests
- (c) you’ve given us consent to do so for a specific purpose, for example we may send you direct marketing materials or publish your information as part of our testimonials or customer stories to promote our products or services with your permission; or
- (d) we need to comply with a legal or regulatory obligation.

2.2 If you have given us consent to use your personal information for a specific purpose, you have the right to withdraw your consent any time by contacting us (please refer to paragraph 9. for contact information), but please note this will not affect any use of your information that has already taken place.

2.3 We do not share your personal information with any company outside our group for marketing purpose, unless with your express specific consent to do so.

3. HOW WE SHARE INFORMATION WE COLLECT

3.1 We may share information with third parties that help us operate, provide, support, improve, and market our products and services, for example third-party service providers who provide KYC, AML verification services, token staking, token swaps, DEX, token sale, online support platform, social media platforms, etc.

3.2 Third-party service providers have access to your personal information only for the purpose of performing their services and in compliance with applicable laws and regulations. We require these third-party service providers to maintain confidentiality and security of all personal information that they process on our behalf and to implement and maintain reasonable security measures to protect the confidentiality, integrity, and availability of your personal information.

3.3 We take reasonable steps to confirm that all third-party service providers that we engage process personal information in the manner that provides at least the same level of protection as is provided under this policy. Where any third-party provider is unable to satisfy our requirements, we will require them to notify us immediately and we will take reasonable steps to prevent or stop non-compliant processing.

3.4 We may share personal information on aggregated or de-identified basis with third parties for research and analysis, profiling, and similar purposes to help us improve our products and services.

3.5 If you use any third-party software in connection with our products or services, for example any third-party software that our Platform integrates with, you might give the third-party software provider access to your account and information. Policies and procedures of third-party software providers are not controlled by us, and this policy does not cover how your information is collected or used by third-party software providers. We encourage you to review the privacy policies of third-party software providers before you use the third-party software.

3.6 Our Platform may contain links to third-party websites over which we have no control. If you follow a link to any of these websites or submit information to them, your information will be governed by their policies. We encourage you to review the privacy policies of third-party websites before you submit information to them.

3.7 We may share your information with government and law enforcement officials to comply with applicable laws or regulations, for example when we respond to claims, legal processes, law enforcement, or national security requests.

3.8 If we are acquired by a third party as a result of a merger, acquisition, or business transfer, your personal information may be disclosed and/or transferred to a third party in connection with such transaction. We will notify you if such transaction takes place and inform you of any choices you may have regarding your information.

4. HOW WE STORE AND SECURE INFORMATION WE COLLECT

4.1 TechyTrade FZ LLC., hereinafter referred to as (MindWave), utilizes multiple data providers (“Data Providers”) across various jurisdictions globally (“Territories”).

4.2 We have adopted the following measures to protect the security and integrity of your personal information:

- (a) information is encrypted using TLS/SSL technology;
- (b) access to your personal information is restricted to personnel or service providers on a strictly need-to-know basis, who will only process your information on our instructions and who are subject to a duty of confidentiality; and (d) our information collection, storage, and processing practices are reviewed regularly.

4.3 We have put in place procedures to deal with any suspected privacy breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

4.4 While we implement safeguards designed to protect your information, please note that no transmission of information on the Internet is completely secure. We cannot guarantee that your information, during transmission through the Internet or while stored on our systems or processed by us, is absolutely safe and secure.

4.5 We only retain personal information for so long as it is reasonably necessary to fulfill the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements. We periodically review the basis and appropriateness of our data retention policy.

5. HOW WE TRANSFER INFORMATION INTERNATIONALLY

5.1 We collect information globally and primarily store that information in databases(s) and/or smart contracts. We transfer, process, and store your information outside your country of residence where we or our service providers operate for the purpose of providing our products and services to you.

5.2 Some of the countries in which our companies or service providers are located may not have the privacy and data protection laws that are equivalent to those in your country of residence. When we share information with these companies or service providers, we make use of contractual clauses, corporate rules, and other appropriate mechanisms to safeguard the transfer of information.

6. YOUR RIGHTS

6.1 Our Platform enables you to update certain information about yourself, for example email address, etc.

6.2 You may opt out of receiving marketing materials from us by emailing, contact@mindwavedao.com. Please note, however, that even if you opt out from receiving marketing materials from us, you may continue to receive notifications or information from us that are necessary for the use of our products or services.

6.3 As a security measure, we may need specific information from you to help us confirm your identity when processing your privacy requests or when you exercise your rights.

6.4 We will respond to all legitimate requests within one ① month. Occasionally, it may take us longer than a month if your request is particularly complex or if you have made a number of requests. However, we may charge a reasonable administration fee if your request is clearly unfounded,

7. SMS & MOBILE DATA PROTECTION
