Buy / Sell

Using **MetaMask**

BUY OR SELL USING **METAMASK**

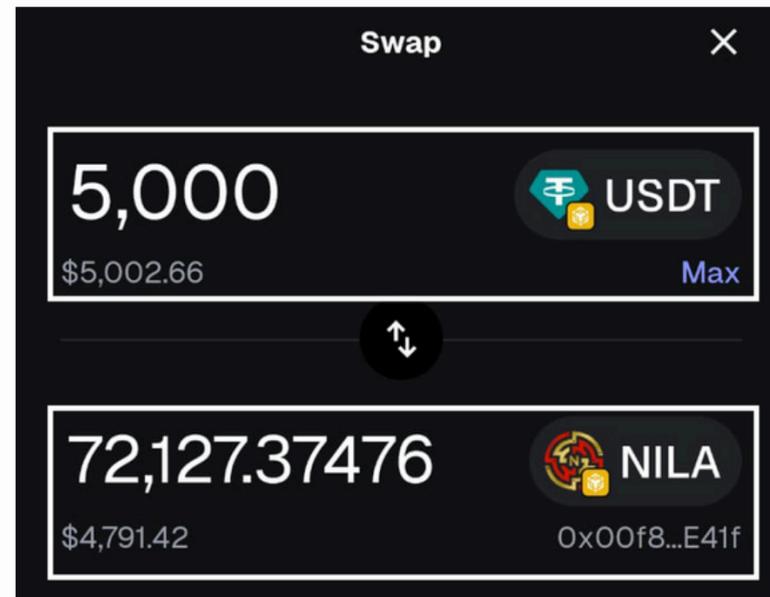

- Install MetaMask on a mobile device or as a browser extension.

- Always check that BNB Smart Chain (BEP-20) is enabled.
- Click Swap.

- Swap USDT/USDC → NILA to buy.
- Confirm the transaction.

Important Notes

- Keep enough BNB for gas fees.
- Always verify the official NILA contract address before swapping.
